Dear Corey,

I would like to thank you and your staff for all of your help.

We now have a variety of Truck, Vans and Utes which have been sign written by Signlab and we are very happy with the results.

This is also having a big impact on increasing our market awareness and product branding.

It has always been a pleasure dealing with the team from Signlab and whether we are after a one off sign, 1000 header boards or wrapping a whole truck, Signlab has been very helpful and professional with our requests.

Thanks again and I look forward to seeing you again soon when another two new trucks arrive!

Kind Regards,
